The horse pictured above is aptly named "That's All" and will be one of 18 from the National Rodeo Finals to be bucked

at St. Albert's Rodeo 104. The rider is Vernon Bruce of Calgary, who is presently ranked third amongst the world's top saddle bronc riders.

ST. ALBERT KINSMEN RODEO 104

A Kinsmen spokesman advises that arrangements for the advance sale of Rodeo 104 tickets have been completed with Jim Byrne Mens Wear Ltd. and Perrons Store in St. Albert and also the Hudson's Bay ticket office in Edmonton. Tickets will be available at these locations from approximately June 1st on. In addition to these three outlets tickets will naturally be available at the ground on June 18th and 19th.

It has been learned from the Kinsmen that their expenditures for Rodeo 104 will be in the neighbourhood of \$10,000. One can readily see from this that our Kinsmen are attempting to bring to this town a first class show which will, without bringing much favourable publicity to St. Albert and certainly deserves the support of the citizens and local business alike. This is most assuredly a traditional "Championship" Rodeo.

In addition to sponsoring the Rodeo and the Kinsmen will be holding a

raffle for a crisp new \$1,000.00 bill, with tickets available only on the grounds.

Mr. Jerry Smith, who is in charge of the Souvenir Program, advises that the layout for this program is nearing completion and that the Program will consist of approximately 16 pages containing interesting articles centered around the rodeo business in general and Rodeo 104 in particular as well as a history of St. Albert and advertising.

Rodeo 104 Queen Contest Chairman Morley Brown reports that the first results have been tabulated and that all six candidates are locked in an extremely close race. Mr. Brown urges all candidates are their sponsors to continue their good work. Don't forget that each ticket you buy is a vote for the queen contestant thereon, entitles you to a chance on a 19" portable TV set and will help the sponsoring organization carry out their worthy activities.

Now as promised last week here is the interesting story surrounding the rodeo event of

Calf Roping

Roping came to rodeo almost as early as saddle bronc riding, the cornerstone of the rodeo game.

The oldest continuous rodeo in Prescott, Arizona, featured roping as early as 1868. In those days, however, steers were roped. Today calves, averaging no more than 350 pounds, are used as roping stock.

As in rodeos throughout North America, the fattest payoffs at St. Albert's Rodeo 104 June 18th and 19th, will be offered in the calf roping event. This contest attracts the greatest number of participants so it pays out the highest amount of prize money, due to the high number of entry fees added to the purse. Nowhere in rodeo does a diversity of skills dovetail into the making of one contest more readily than in the event of calf roping. The cool finesse of a Quarter Horse closing the gap between a roper and a calf, waiting for the toss of a loop, then holding the animal while the roper is tying his head of stock. Many of the world's greatest ropers readily admit the horse established their degree of fame and fortune on the rodeo trail. A solid, true-working roping horse is a valuable property, today commanding a four-figure price tag. The great roping horses rate the speed of the calf, stop on cue, then back fast to keep the rope taut as the roper runs to his quarry.

continued on page 2

RODEO 104

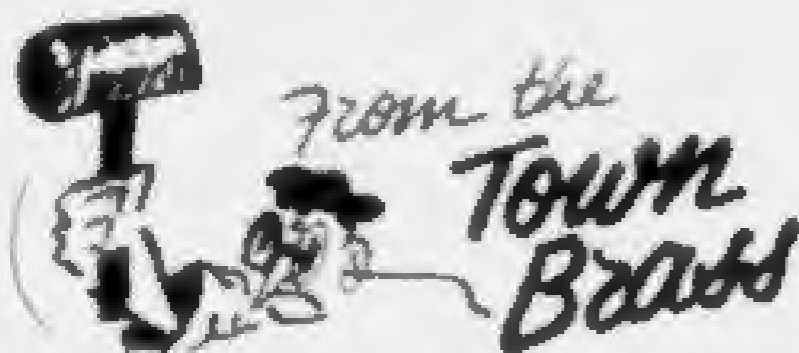

continued

Calf roping is a timed event with the animal signalling the start of the contest by breaking from a chute and tripping a light rope barrier in front of a second chute holding the mounted contestant. The rider breaks out with split second timing, runs down his quarry and lassoes the calf. As the rider dismount

the horse backs up to keep the rope taut. The roper throws the calf and ties any three legs with a "pigging string".

After second penalty is served for breaking the barrier or for yanking the calf off its feet. The tie must be passed on by the judges. If the calf kicks loose before the judge waves the tie, the roper takes no time.

Next week the very colorful story of the second-timed event to be presented at Rodeo 104, Steer Wrestling or Bulldoggin

\$650,000. SPORTS COMPLEX

Council Meeting, Monday, May 17

Mill Rate 1965 Council wasn't able to strike a mill rate following the presentation of the 3rd draft of the 1965 budget because the school board couldn't say how much financial assistance will be from the Provincial Government. Council decided to set a rate of 47 mill compared to 30.8 last year, for the Municipal portion. If the school budget is not increased, the mill rate will stay at 55 mills for 1965.

New Money Bylaw Procedure Council decided to follow the new money by-law procedure in future (see editorial). This new by-law does not include the mayor's salary, which still has to go before the ratepayers during an election.

Sports Complex (including swimming pool) Council passed the 1st reading of bylaw 17/65 for a \$650,000. sports complex. This loan will cost the town approximately 2 mills in 1965, 1.7 mills in 1966, and so on down. (For the benefit of our taxpayers, we publish this complete by-law which reads as follows:)

"A by-law to authorize the Council of the Town of St. Albert to incur an indebtedness on behalf of the said Town by the issuance of debentures for the purpose of constructing a Sports Complex in the Town of St. Albert.

WHEREAS, the Council of the Town of St. Albert deems it expedient to construct a Sports Complex, including a Swimming Pool, Arena and Central Lobby Community Hall within the Town of St. Albert;

AND WHEREAS, the cost of the land and building for the said Sports Complex is estimated to be Six Hundred and Fifty Thousand Dollars (\$650,000.00);

AND WHEREAS, in order to purchase the land and construct the aforementioned Sports Complex it will be necessary to borrow the sum of Six Hundred and Fifty Thousand Dollars (\$650,000.00) on the credit of the Town by the issuance of debentures of the Town as herein

provided:

AND WHEREAS, the said indebtedness is to be repaid over a period of Twenty-Five (25) years in annual instalments, with interest not exceeding Six Percent (6%) per annum;

AND WHEREAS, the whole rateable property of the Town according to the last revised assessment roll is \$13,865,102 AND WHEREAS, the amount of the existing debenture debt of the Town is \$2,613,810.00, no part of which is in arrears, and of which amount the sum of \$1,507,490.00 is authorized to be collected by way of a special assessment;

AND WHEREAS, the estimated life of the said Sports Complex is Twenty-Five (25) years;

NOW THEREFORE, the Council of the Town of St. Albert, duly assembled, hereby enacts as follows:-

1. The Council of the said Town is hereby authorized and empowered to make application to the Local Authorities Board for authorization to borrow the sum of Six Hundred and Fifty Thousand Dollars (\$650,000.00) for the purpose of purchasing land and constructing thereon a Sports Complex;

2. That for the purposes aforesaid, the sum of Six Hundred and Fifty Thousand Dollars (\$650,000.00) be borrowed by way of debenture on the credit and security of the Town of St. Albert at large, of which the total amount of Six Hundred and Fifty Thousand Dollars (\$650,000.00) is to be paid by the Town at large.

3. The debenture to be issued under this By-law shall be for the said sum of Six Hundred and Fifty Thousand Dollars (\$650,000.00), shall be in denominations of One Hundred Dollars (\$100.00) or any multiple thereof, shall be dated the first day of August, 1965, at noon each other day as may be appropriate

PUBLIC NOTICE

THE TOWN OF ST. ALBERT

PUBLIC NOTICE

PUBLIC NOTICE is hereby given that there has been introduced in the Council of the Town of St. Albert a By-law of which the following is a short synopsis:

BY-LAW NO. 40/64 - PURCHASE OF COMPACTION TYPE REFUSE COLLECTION UNIT.

WHEREAS, it is deemed expedient and proper that the Council should pass a By-law to authorize the purchase of a Compaction Type Refuse Collection Unit;

AND WHEREAS, the estimated cost of the said purchase will be approx. \$16,000.00;

AND WHEREAS, in order to purchase the said Compaction Type Refuse Collection Unit it will be necessary to borrow the sum of \$16,000.00 by issuing debentures with interest not to exceed 6% per annum, payable over a period of 5 years in equal annual instalments of principal and interest;

AND WHEREAS, the estimated life of the said Compaction Type Refuse Collection Unit is 5 years;

NOW THEREFORE, the Municipal Council of the Town of St. Albert hereby enacts as follows:

1. The Town is hereby authorized and empowered to borrow the sum of \$16,000.00 for the purpose of purchasing the said Compaction Type Refuse Collection Unit.
2. That for the purpose aforesaid, the sum of \$16,000.00 be borrowed by way of debentures. The debentures and interest thereon to be paid in 5 annual equal instalments.

"James B. Gee"
Secretary-Treas.

"W. J. Veness"
Mayor

AND, that a copy of the same may be seen in the Office of the Secretary-Treasurer, in the Town Hall, St. Albert;

AND FURTHER, that unless within 30 days from the publication of this Notice five per cent or Two Hundred and Fifty of the Proprietary Electors, whichever is the lesser, of the Town petition the Council to submit this By-law to the vote of the Proprietary Electors of the Town, the Council will proceed to consider, and if it thinks fit, to pass the same.

having regard to the date of the borrowing of the money, shall be payable in Twenty-Five (25) consecutive annual instalments of principal on the First Day of August in each of the years 1966 to 1990 inclusive, or on such other day as may be appropriate having regard to the date of the borrowing, in such manner that the principal and interest will be combined and be made payable in, as nearly as possible, equal annual instalments during the said Twenty-Five (25) years.

4. The debentures maturing in each of such years shall bear interest during the currency of the debentures at a rate not exceeding Six Percent (6%) per annum, payable annually on the First Day of August in each year or on such other day as may be appropriate having regard to the date of the borrowing, and shall have coupons attached thereto for the payment of principal and interest.

5. The debentures with coupons thereto attached shall be payable in lawful money of Canada at the Bank of Montreal St. Albert, and at such other branches of the said Bank as may be appropriate.

6. The said debentures shall be signed by the Mayor and Secretary-Treasurer of the said Town of St. Albert and the Secretary-Treasurer shall affix thereto the Corporate Seal of the Town.

7. The coupons attached to the said debentures shall be signed by the Mayor and Secretary-Treasurer of the Town of St. Albert, and such signatures may be engraved or lithographed.

8. There shall be levied and raised in each year of the currency of the

debentures hereby authorized, by a rate or rates sufficient therefore, on the assessed value of all lands and improvements shown on the assessment roll, an annual tax sufficient to pay the principal and interest falling due in such year on such debenture; The said rates and taxes are collectible at the same time and in the same manner as other rates and taxes.

9. The said indebtedness is contracted on the credit and security of the Town of St. Albert at large.

10. This By-law shall take effect on the day of the final passing thereof.

Request for Soccer Fields Two representatives from the St. Albert Hercules Sport Association, Mr. Fred deluca and Mr. Ted Jones, attended this meeting to ask Council why no soccer fields were ready in time. The Secretary-Treasurer stated that there is no money to finish the job properly. Mr. deluca pointed out that he had requested this last year but nothing was done. Council assured them that everything will be done to get the fields ready as soon as possible.

Underground Wiring Council accepted in principle the underground wiring proposals for the Glenview Subdivision.

Probation Officer Council decided to consider the appointment of a new Probation Officer as the present Probation Officer Mr. Barry Armstrong is now living in Edmonton. Councillor Stewart thought that a Probation Officer should live in our town. The staff will come up with a recommendation for a replacement.

Garbage Disposal A letter was received regarding the use of plastic disposal bags in our town. As the Garbage Disposal Bylaw does not allow the use of plastic bags, Council decided to refer this matter to the Town Engineer, who will make a report for the next Council meeting.

to or support the composition you have in mind.

To accomplish a simple, yet dramatic, color arrangement I suggest:

A. Use 2 or 3 colors that look well together.

B. Choose contrasting colors, when a third color is introduced, let it blend somewhat into the composition without too much contrast so that it does not upset the accent of the more important

colors).

C. Plant large areas of the same color especially if the border is to be viewed from some distance away.

D. Let one color dominate the picture by using it as a large mass, with the other and contrasting color in a considerably smaller mass -- brilliant color should be the smaller mass.

Once you really become color conscious you'll see color in many places -- buildings, walls, walks, foliage, and sky. The color of these will affect your color scheme and must be considered in planning your color picture.

UNVEILING OF STREET SIGN

The official unveiling of the Street signs for Sir Winston Churchill Avenue will take place on Thursday, May 27 at 10:40 a.m. in front of the Town Hall. Guests of honor will be: Sir Ralph Perrins, St., (ex Lord Mayor of London), the British Trade Commissioner and the British Government Officer. Everyone in town is welcome to attend this ceremony. Following the unveiling, the officials will have lunch in our town.

Amateur Night

A wealth of talent was on parade Wednesday evening, May 12, as the Sir Alexander Mackenzie Home and School Association sponsored Amateur Night, their first of many such ventures. A varied program employing a large number of students held the interest of the audience and gave a glimpse of the talent waiting to be discovered in our young people. The total of presentations numbered forty-one, four of which were groups, and three in pairs. The judges, who were Mrs. Hole, Mrs. Hughes and Mr. R. Gilley, had the difficult task of choosing four winners, each in a different category.

1. Instrumental - Miss Holly Nickerson, a piano selection "The Horseman" by D. Kabelevsky. Holly, who is 12 years of age, has studied piano for three years with Mrs. Upright.

2. Recitations and Skits An action song executed by Laura Austin and Sherri Tomlinson. Laura dressed as the boy in

blue jeans and plaid shirt, Sherri the girl in dress and knickers, sang and acted out "Hole in the Bucket".

3. Highland Dancing Shuana MacSachern (see picture)

4. Vocal Joan Werre, Grade 7, sang "Stay Awake" from Mary Poppins, singing to little Elizabeth Dawkins. Joan has taken leading roles in 2 operettas produced at school.

Each was presented with a trophy. All the participants were worthy of much praise, as they were unrehearsed and un-auditioned. A very special thank you to Mrs. Trigg, who accompanied the acts throughout the evening, and to the Judges.

Mr. Sendura, President of the Association, is very pleased with this first endeavor, and hopes to see progress in their next program in the coming year. Plans are underway to encourage Amateur Nights in other Home and School Associations, then promoting competition between schools.

CLUB NOTES

The St. Albert Women's Institute will hold their next meeting at the home of Mrs. Venne, 22 Glenmore Cres. Roll call pennies for friendship.

Marguerite d'Youville Auxiliary met Tuesday May 11. The agenda began with the installation of the new executive, went on to arrangements of a bingo held for the patients during the past week, and tentative arrangements for the patient's annual picnic at Storyland Valley Zoo. Mrs. Mary Dalzell, president, presented a cup and saucer to each of the retiring executive members: Mrs. Wilson, president, Mrs. Ross, vice president, Mrs. Regimbald, secretary and Mrs. Burton, treasurer.

The convenors for the year will be Mrs. Vaugeois, beauty parlor; Mrs. Huot, telephone; Mrs. Sullivan, shopping and birthday cards; Mrs. Regimbald, get well cards; Mrs. Wilson, publicity. The vice president for the forthcoming term is Mrs. Mary Turner.

The Auxiliary also announces that they have Ladies Klondike costumes to rent. Anyone interested may hire them for a nominal fee by telephoning Mrs. Kay Wilson at 599-6038. The next meeting will be held June 8.

Triple X (Mr., Miss, Mrs.) recently enjoyed a very interesting trip to the Planetarium. The program consisted of actual pictures of the moon and stars, in different phases of night and day, shown for one hour under the circular dome. The evening ended with refreshments being served in the Church Lower Hall.

Tennis Club Tennis season is now open. The annual meeting was held May 10 when the new executive was installed. Membership will be available Tuesday, Wednesday, May 26 and 27, from 6:30 p.m. on at the tennis court at Sir Alexander Mackenzie School.

Bridal Couple Honored

Close friends and neighbors gathered at a barbecue in honor of Willem Netelenbos, Jr. and his bride-to-be Miss Helga Isaak of Calgary, whose wedding will be held Saturday, May 22nd at Blodysminster. Mrs. Frank Dolphin was hostess with Mrs. Fred deLuna as co-hostess. During the evening a gift of china was presented to the young couple.

Willem is a commercial artist with Zellers in Calgary, also a member of a calypso singing trio called "The Bonaventures". Helga is an Arts and Crafts instructress at the Boys Centre in Calgary.

Best wishes are extended to Helga and Willem who will be residing in Calgary. Congratulations!

A beautiful baby daughter was born to F/L M.S. Vaciroa and Mrs. (Marie) Vaciroa Tuesday morning at 7 a.m., May 17 at the General Hospital. Weight 6 lb., 4 oz. A sister for Amy, Frances and Paul. The brand new addition to the family will be called Ellen (meaning light) Jenny.

GAS COMPANIES ANNOUNCE SENIOR MANAGEMENT APPOINTMENTS

The appointments of Murray E. Stewart, 38, of Edmonton as president, and John E. Maybin, 40, of Calgary, as executive vice-president, of Canadian Western Natural Gas Company Limited and Northwestern Utilities, Limited are announced by D. K. Yorath, chairman of the companies, following meetings of the companies' boards of directors. Also announced were the appointments of David B. Collier as general manager, and Cyril L. Metcalfe as treasurer, of Northwestern Utilities. Mr. Stewart succeeds Bruce F. Willson, who has resigned to become president of Canadian Bechtel Ltd. of Toronto. Formerly vice-president of both companies, and general manager of Northwestern, Mr. Stewart

has been with Alberta's two major gas utility companies since 1949. Mr. Maybin has also been with the companies since 1949 and formerly was vice-president, engineering and gas supply, for both companies. Mr. Collier, who succeeds Mr. Stewart as Northwestern's general manager, has been with the company since 1939. He formerly was manager of production and transmission. Mr. Metcalfe, who has been with the company since 1931, and corporate secretary since 1948, will succeed John B. Whelihan when he retires on May 31, after 42 years with the company. Mr. Metcalfe will continue as corporate secretary.

JR. HOCKEY FATHER AND SON BANQUET

One of the highlights of the Junior Hockey season was the Father & Son Banquet. Last Saturday saw more than 500 fathers

and sons at this banquet in the Parish Hall in St. Albert. The picture shows only a part of the crowd.

RECREATION

FROM the RECREATION DIRECTOR

A proposal of a major central recreation area and complex was presented at a special meeting of Council on May 12 by the Pool and Arena Complex Committee. Their proposal of a total recreation complex was outlined to consist of: an enclosed swimming pool, a combined arena and auditorium and a central multipurpose recreation building. The central building would house offices, clubrooms, activity rooms, a multipurpose room, etc. The basement of the central building would contain activity rooms, stor-

age rooms, and sufficient dressing rooms for the arena, swimming pool, and outdoor play fields (track and field, tennis, soccer, baseball, etc.)

The advantage and merits of the proposed indoor swimming pool were outlined as well as the merits and year round usefulness of the combined auditorium and arena building. It was proposed to Council that such a complex would be an operational asset in that such a combined building would not only operate economically by using the same utility lines, parking, combined heating and refrigeration units, etc., but also that such a complex would produce revenue, therefore, it was suggested that such a complex would break even while meeting the recreation needs of St. Albert. The possible grants for the initial construction of such a complex was also outlined by the Committee. These being the Swimming Pool Grant, the Municipal Loan Forgiveness, and Winter Works. It was suggested that these could pay for more than one-third of the initial cost. The proposal was well received by Council who felt that such a complex would be a great asset to St. Albert.

Coaches

Coaches for boy's baseball and girl's softball are to meet Wednesday, May 29, at 8 p.m. in the new Clubhouse, 1A Greenfell Avenue. Teams will have been drawn up and will be assigned to the coaches. Schedules, rules, etc. will be outlined to govern the year's activities.

Approximately 700 boys and girls are registered to play this year. At the present time the fields are being prepared for play. This year the play fields are being made so that in future years they will be ready to play as soon as weather permits.

PROPOSED SUBDIVISION

The preparation of a replotting scheme set up by Walker Newby for Ball Avenue Edmonton Road area does not have the full support of the landowners in this area. As we mentioned last week, Council decided to bring this plan before the Edmonton & District Planning Commission.

PUBLIC NOTICE

THE TOWN OF ST. ALBERT

PUBLIC NOTICE is hereby given that there has been introduced in the Council of the Town of St. Albert a By-law of which the following is a short synopsis:

BY-LAW NO. 35/64 - PURCHASE OF FIRE FIGHTING EQUIPMENT.

WHEREAS, it is deemed expedient and proper that the Council should pass a By-law to authorize the purchase of the following Fire Fighting Equipment:

One-No. 625 Triple Comb. Pumper - \$21,500.00

One-Fire Chief's Vehicle - \$3,300.00
One-Chain Saw - \$200.00;

AND WHEREAS, the estimated cost of the said purchase will be approx. \$25,000.00;

AND WHEREAS, in order to purchase the said Fire Fighting Equipment it will be necessary to borrow the sum of \$25,000.00 by issuing debentures with interest not to exceed 6% per annum, payable over a period of 10 years in equal annual instalments of principal and interest;

AND WHEREAS, the estimated life of the said Fire Fighting Equipment is 10 years;

NOW THEREFORE, the Municipal Council of the Town of St. Albert hereby enacts as follows:

1. The Council is hereby authorized and empowered to borrow the sum of \$25,000.00 for the purpose of purchasing the said Fire Fighting Equipment.
2. That for the purpose aforesaid, the sum of \$25,000.00 be borrowed by way of debentures. The debentures and interest thereon to be paid in Ten (10) annual equal instalments

"James B. Gee" Secretary-Treas.

"W. J. Veness" Mayor.

AND, that a copy of the same may be seen in the office of the Secretary-Treasurer, in the Town Hall, St. Albert,

AND FURTHER, that unless within 30 days from the publication of this Notice five percent or Two Hundred and Fifty of the Proprietary Electors, whichever is the lesser, of the Town petition the Council to submit this By-law to the vote of the Proprietary Electors of the Town, the Council will proceed to consider, and if it thinks fit, to pass the same.

Lloyd Wheatley, Secretary-Treas.

May 19th, 1965.

NEW MONEY BY-LAW PROCEDURE

From now on, St. Albert will use the same Money By-law as is used in Edmonton. This means that a money bylaw will not come before the taxpayer during an election, but by "Public Notice" the taxpayer will be informed of the intention of council to borrow money for a specific project. The new procedure will work as follows:

1. Council to give first reading to the By-law.
2. Send By-law to Local Authorities Board for approval.
3. When Board Order received from Local Authorities Board, By-law then to be advertised and Notice of the proposed By-law to be posted for a period of not less than 30 days.
4. If 250 Proprietary Electors do not petition against the By-law within 30 days of the publication of same, 2nd and 3rd readings may be given and application made to sell the debentures.
5. If 250 Proprietary Electors petition the Council to submit By-law to a vote of the Proprietary Electors, then normal procedure under Part VI of the Town and Village Act must be followed.

This new procedure has many advantages. It encourages the taxpayer to watch what Council is doing, it will certainly lessen the duration of time, it will save the town money in advertising, printing, etc. in comparison with the old procedure, and it will help to speed up the election.

A disadvantage is the possibility that the taxpayer who is not much interested in the general activities of our town will suddenly be aware that the town has borrowed a large sum of which he has to carry his portion!

All in all, it is a progressive decision which will certainly be of great benefit for more effective town business.

IMPRESSIVE START

Council passed the first reading of Money Bylaw 17/65 for the construction of a St. Albert sports complex at the cost of \$650,000.00. This sports complex a start for our recreation centre, will consist of a covered swimming pool, arena, dressing rooms for the various winter and summer sports, club rooms, and activity rooms. Indeed an impressive start for our recreation centre, for which we have waited so many years.

So Council gave the first reading to this sports complex money bylaw, it will now go to the Local Authorities Board for their approval. After the approval the bylaw will be advertised to inform the taxpayers of this money expenditure. From here on, it is entirely up to us if we want this recreation centre or not!

Our town, with its 10,000 population, needs such a centre urgently. We can no longer depend on the recreational facilities of Edmonton, because Edmonton badly needs all its facilities for its own citizens. With more and more leisure time available in our present society, we need facilities for our boys and girls, men and women to make good use of their leisure time....well planned recreational programmes and under the leadership of qualified recreation instructors.

A tremendous start, let's support it!

WHY HINDER OUR NEIGHBORS?

As we see our citizens fervently working in their gardens to forget the long, long winter, we regret once again to see that their work is being disturbed and destroyed by cats and dogs running at large. It's the same story every spring, irresponsible owners don't care where their pets go, and don't take into consideration that their pets can be a plague to their neighbors. Last week two St. Albert mailmen were bitten by dogs. One had to be rushed to hospital where he received 6 stitches and is still unable to work. This is going him for and needs some drastic measures. It doesn't help to criticize the City Council, although a local dog catcher might be more efficient. But most of all it depends on the sense of responsibility of the resident dog and cat owners. If they would watch their pets more carefully and see that they don't run at large, then there would be no need for a dog and cat catcher.

Yes, don't hinder your neighbor with these unpleasant things the way animals give him a chance to build up a lovely garden, give him a chance to entertain his little children, and last but not least, protect your neighbor who doesn't deserve this kind of welcome!

Confirmations

Due to unavoidable circumstances, His Excellency Archbishop Jordan, O.M.I., had to change the date of Confirmation for St. Albert Parish. Confirmations will be held on June 27 at the 9 p.m. Mass. The Grade 2 pupils of the Catholic Schools will also make their first or solemn Communion on June 27th.

UNITED CHURCH

On Friday, May 14, the Triple M took a tour of the Planetarium in Edmonton and then returned to the Church Lower Hall for a Coffee and Social Hour.

On Sunday, May 16 at the 11 a.m. Service the following were baptized by Dr. Ed Schwarz: Peter Grant, son of Mr. & Mrs. J.W. Terrill; Carol Anne, daughter of Mr. & Mrs. P.S. Madsen; Darlene Gay, daughter of Mr. & Mrs. A.D. Jessiman; Douglas Keith, son of Mr. & Mrs. K.I. McBeth; Daryl Lawrence and Glenna Rose, children of Mr. & Mrs. L.E. Harter; and Kimberley Anne and James William, children of Mr. & Mrs. J.M. Austin. Dr. Schwarz used Psalm 23 and Matthew 19: 16-26 as texts. The choir, led by Mr. G. Crowdis, presented an anthem.

Coming Activities

Thurs., May 20: Choir Practice 8:15 p.m. Presbytery will be meeting from 4-9 p.m. at Wesley Church in Edmonton. Persons interested in visiting this court of the church while in session are invited to do so.

Sun., May 23: Church School and Morning Service as usual.

Tues., May 25: Explorers after school Committee of Stewards will meet in the Nursery 7:15 p.m. Session 7:30 in the Lower Hall. Members of the aforementioned are asked to be on time as their meetings will be over at 9 p.m. so that all may attend the Special Congregational Meeting to be held at 8 p.m. in the Sanctuary. The Pastoral Relations Committee hopes to present the name of a minister to succeed Dr. Schwarz to the congregation at that time. Should the name be approved by the congregation, a call will be sent to the man.

Wed., May 26: UCU Braeside Unit will meet at the Hockock farm, 1/2 mile east of the Highway to Morinville on the correct line leading to Valmer, at 8:15 p.m. Persons needing a ride or further directions call Mrs. Paget 594-6804.
